CALLING ALL RENOVATORS!

IF YOU'RE NOT FRIGHTENED OF WORK - HAVE A LOOK AT THIS!

Situated just one short block from Wee Waa's Main Street on a large, well fenced corner block is this unique old weatherboard home.

It contains 3-bedrooms, lounge, long central hallway, kitchen, bathroom & laundry combined plus the cooling open front & side verandahs, a solid old garage & garden shed.

Not hiding the fact that it needs a heap of work but, I have seen far worse homes brought back to life.

Huge corner block and along with established lawns & trees, it has an old unequipped bore plus it is surrounded by excellent fencing.
